

PROGRAM JOINT ID & HIV CONFERENCE

23<sup>RD</sup> -26<sup>TH</sup> OCTOBER 2023

DAY 1		MONDAY OCTOBER 23		
7.30am-8.30am	Arrival of Guests / Registration/ Introduction by conference co-chairs			
8.30-8.35 am				
8.35- 9.00am	Plenary 1	<p><b>Elimination of Mother to Child transmission of HIV: National agenda in line with the Global Alliance to end AIDS in Children</b></p> <p>Children and Adolescents with HIV – Opportunities for better outcomes</p>	<p><b>Dr Rose Wafula - Head NASCOP (to be confirmed)</b></p> <p>Prof Natella Rhakimana</p>	
9.00- 9.25 am	Plenary 2		EGPAF	<a href="#">Victor Musiime</a>
9.30am-10.00am	TEA BREAK			
10.05- 11.20 am	Morning Track 1		Morning track 2	Morning Track 3
10.05-10.10 am	<p><b>PAEDIATRIC INFECTIOUS DISEASES</b></p> <p>Introduction by co-chairs</p>		<p><b>IMPLEMENTATION SCIENCE IN HIV AND ID</b></p> <p>Introduction by co-chairs</p>	<p><b>HIV IN ADOLESCENTS AND YOUTH: FROM THEORY TO PRACTICE</b></p> <p>Introduction by co-chairs</p>
10.10-10.20 am	Abstract 1: Prevalence and antibiotic susceptibility patterns of Salmonella and Shigella species isolated from pediatric diarrhoea in Aba, Abia State, Nigeria		Impact of a stakeholder selected implementation strategy package – fast tracking, provider re-training, and co-location – on PrEP implementation for pregnant women in antenatal care clinics in western Kenya	Improving Viral Load Suppression among CALHIV (0-14yrs) through A Multipronged Approach; A Case of Nanyuki Teaching and Referral Hospital, Laikipia County
10.20-10.30am	Abstract 2: Yield of pediatric Tuberculosis cases through the engagement of nutrition department staff in Kikuyu and Kabete Sub County, Kiambu		Experiences and Lessons Learned from the Recent Implementation of HIV Recent Infection Testing Algorithm in Longisa County Hospital	IMPROVING THE HEALTH OUTCOMES OF ADOLESCENT LIVING WITH HIV: A CASE STUDY OF GERTRUDES CHILDRENS HOSPITAL

	County, Kenya		Bomet, Kenya	BETWEEN JUNE 2018 TO JUNE 2023.	
10.30-10.40 am	Planting & Growing of Trees to Achieve Sustained Viral Suppression Among Children & Adolescents on HIV Clinic At Kakamega Forest Dispensary.		RE-AIM Assessment of the HIV Enhanced Access Testing in the Emergency Department (HEATED) Program Among High-Risk Populations in Nairobi, Kenya	Availability of Adolescents and Young Adults for HIV Prevention and Control Messages: A case Study of Awareness Creation Campaigns by Kenya Malaria Youth Army	
10.40-10.50am	Expert Talk on Paeds		EBAN-K: A Transformative Behavioural Intervention Redefining HIV Data Trends among Discordant Couples in Migori County Referral Hospital, Kenya	Navigating antiretroviral adherence in boarding secondary schools in Nairobi, Kenya: a qualitative study of adolescents living with HIV, their caregivers and school nurses	
10.50-11.00am	Expert Talk on Paeds		Extension for Community Healthcare Outcomes (ECHO): A Virtual Platform for Increasing the Uptake of Evidenced-Based Interventions Among Adolescent Girls and Young Women in Kisumu West Sub-County	Community Safe Spaces for Distribution of Pre-Exposure Prophylaxis among AGYWs) in East Seme Ward	
11.00-11.10 am	Q &A , wrapping up		Q &A , wrapping up	Q &A , wrapping up	
<b>11.20 -11.50am</b>	Afternoon Plenary 1	<b>Device associated infections</b>	<b>Paul Tambyah</b>		
<b>12.00 -1.00 pm</b>	<b>LUNCH BREAK</b>				
<b>1.15 pm-3.15 pm</b>	<b>Afternoon Track 1</b>		<b>Afternoon Track 2</b>	<b>Afternoon Track 3</b>	
	<b>SEPSIS AND NOSOCOMIAL INFECTIONS + AMR + CDC/UON</b>		<b>PAEDIATRIC HIV</b>	<b>EMERGING AND RE-EMERGING INFECTIOUS DISEASES, EPIDEMICS, AND PANDEMICS</b>	

Time	Topic	Abstract 1	Abstract 2	Abstract 3	Abstract 4	Abstract 5	Abstract 6
1.15 -1.20 pm	<b>Introduction by co-chairs</b>						
1.20-1.30 pm	Abstract 1 : Sepsis and Septic Shock in Mater Misericordiae Hospital, Critical Care Unit, in the Year 2020	Improved appointment-keeping and viral load suppression in the Mathare North Health Centre pediatric population in Nairobi using the Saturday Smiles clinic	Outcomes Of Different Steroid Dosing Regimens in Critical Covid-19 Pneumonia: A Retrospective Cohort STUDY				
1.30-1.40pm	ABSTRACT 2 Risk factors for colonization with multidrug-resistant bacteria in urban and rural communities in Kenya: An Antimicrobial Resistance in Communities and Hospitals (ARCH) study	Chronic lung disease is common in HIV infected children and adolescents in long-term care in Nairobi and is associated with prior tuberculosis and pneumonia	How to Prepare for the next Pandemic? Call for a framework for integrated advice!				
1.40-1.50pm	Abstract 3:	Improving HIV Treatment outcomes for vulnerable children and adolescents through partnerships in Baringo County, Kenya	Integrating COVID-19 Screening and Testing into Comprehensive Care Clinics in Kiambu County, Kenya				
1.50-2.00pm	Abstract 4	Improved Adherence to Early Infant Diagnosis Algorithm For HIV-Exposed Infants During Implementation Of A Point-Of-Care Early Infant Diagnosis In Homabay County, Kenya	Modelling COVID-19 waves in Kenya				
2.00-2.10pm	Abstract 5	Structured Care Giver Literacy Sessions: A Path to 100% Viral Load Suppression Amongst Children Living with HIV, An Experience of Matata Hospital, Homa Bay County.	Enhancing COVID-19 Vaccination Coverage among PLHIV in Middle- and Low-Income Countries: A Case of Taita Taveta County- Kenya. Resilience of routine childhood immunization services in two counties in Kenya in the face of the COVID-19 pandemic				
2.10-2.20 pm	Abstract 6	Improving Retention through Use of community health promoters at Narok County referral hospital					

2.20- 2.30pm Q &A , wrapping up Q &A , wrapping up Q &A , wrapping up

	Opening Ceremony	Speaker /Facilitator	Session Moderator	Master of Ceremony
		<u>Host County to welcome delegates to County – target CEC or director of health</u>		
2.45-3.00pm	Remarks by Conference Co-Chairs	Head NASCOP & HIV Clinician Society & IDSK ( Adolescents, music band)	Dr Rose Wafula <u>/Loice</u>	
3.00–3.25pm	Entertainment <b>KEYNOTE SPEECH</b>			
3.30-4.00pm	<b>HEALTH SYSTEM STRENGTHENING FOR PANDEMIC PREPAREDNESS</b>	<b>DR CHIKWE- WHO Assistant Director General</b>	Dr Loice	
<b>Stakeholder Remarks</b>				
4.00-4.15 pm	PEPFAR country rep	PEPFAR Country Office Coordinator	Dr Rose	
4.15-4.30pm	UN Representative	UNAIDS /WHO <u>(upto 3 agencies may speak )</u>		
4.30-4.45pm	Community/Patient representative	NEPHAK for HIV / ID ?	<u>Letter to be done by NASCOP.</u> - <u>To discuss on who will speak</u>	
4.45-5.00pm	<del>Council of Governors-Chair of Health Committee</del>		<u>NASCOP-MOH</u>	
5.00pm	Director General of Health	Moderates next session	Dr Amoth <u>(separate brief and invite the DG)</u>	
	<u>Council of Governors -Chair of Health Committee</u> <u>Host County</u> <u>PS health ???</u>		<u>Team to consult with Dr Rose</u>	
5.15 pm -5.45pm	Official opening by Cabinet Secretary Health			

5.45 -6.00pm Closing remarks and vote of Thanks

Evening Cocktail( Maintain the cocktail)

6.00 -7.00pm

**DAY 2 TUESDAY OCTOBER 24**

8.30-9.10.00am

8.30- 8.35am Introduction by Co-chairs

8.35-9.00am Plenary 1

Antimicrobial Resistance & Drug development  
Dr Subasree -Medical Director GARDP

9.00-9.25 am Plenary 2

HIV Drug resistance :  
Lessons learnt and response  
Dr Seth Nzaule – WHO HIV Treatment Department  
Global stewardship view of AMR ( fit with AMR stewardship)  
Prof. Mark Mendelson

9.25-9.50am Plenary 3

10.00am-10.30am TEA BREAK

10.30- 11.50 am Morning Track 1

Morning track 2

Morning Track 3

Morning Track 4

10.30-10.35 am

**THE THREAT OF HIV DRUG RESISTANCE: PREVENTION AND MANAGEMENT**

Introduction by co-chairs

**HIV IN ADOLESCENTS AND YOUTH: FROM THEORY TO PRACTICE**

Introduction by co-chairs

**VACCINES: RESEARCH, DEVELOPMENT AND USE.**

Introduction by co-chairs

**NEGLECTED TROPICAL DISEASES**

Introduction by co-chairs

10.40-10.50 am

Abstract 1 : A Randomized Clinical Trial of Switching Treatment-Experienced Adults From PI/r to DTG

Improving viral suppression among adolescents at Nyagoro health centre through target peer led groups

Comparing performance of facility based year-round and campaign-mode influenza vaccination strategies among children aged 6-23 months in Kenya: 2019 – 2021

MOH Speaker on NTDS

10.50-11.00pm

Abstract 2 : Retrospective Longitudinal Analysis of Low-Level Viremia Among HIV-1

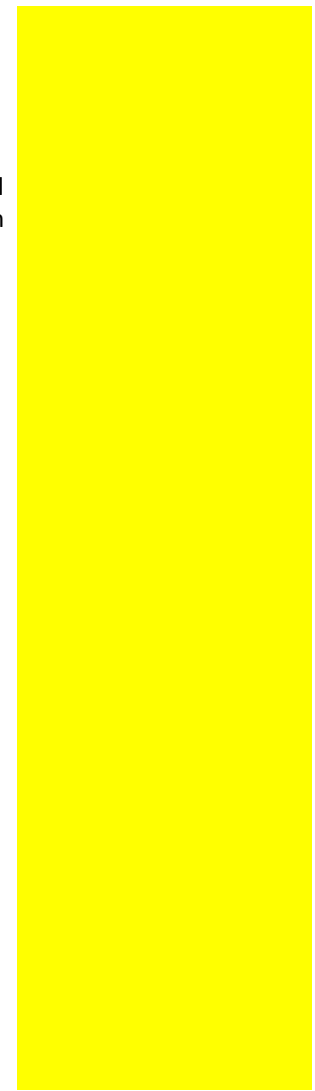

Effects of Peer Social Networks on Uptake of HIV Testing Among Youth Aged 15-24 Years

Suitability of Female Sex Workers for Enrolment into an HIV vaccine Efficacy Trial;

Presentation on MDAs as a strategy for Helminths elimination ?

11.00-11.10pm	<p>Infected Adults on Antiretroviral Therapy in Kenya</p> <p>Abstract 3: Evaluation of Patients Living with HIV Presenting with Dolutegravir HIV Drug Resistance Mutations from the Nyawest Region</p>	<p>in Migori County.</p> <p>Documentation of Adolescent Living with HIV (ALHIV) transition to self-care through Digital Innovation</p>	<p>Experience from Dar es Salaam, Tanzania</p> <p>A qualitative assessment of influenza vaccine uptake among children and its impact on the childhood immunisation program in Kenya</p>	<p>DNDI speaker <u>END fund</u></p>
11.10-11.20pm	Abstract 4:	<p>INNOVATIONS AND SOLUTIONS TO IMPROVE ADOLESCENTS AND YOUNG PERSONS HIV OUTCOMES. CATS on a Mission: Empowering Youth for Improved HIV Treatment in Siaya County</p>	<p>Determinants of Zero Dose (ZD) Children, in High-Risk Union Council of District South, Karachi Pakistan, June – 2023: Case-Control Study</p>	
11.20- 11.30pm	Abstract 5	Q &A , wrapping up	<p>Malaria vaccine: A breakthrough towards malaria elimination among under-fives in Vihiga County</p>	
11.30-11.40pm	Q &A , wrapping up	Q &A , wrapping up	Q &A , wrapping up	
<b>11.40-12.10 noon</b>	<b>Pharma Gold Sponsored (Hot sessions)</b>	<b>Pharma Gold Sponsored (Hot sessions)</b>	<b>Pharma Gold Sponsored (Hot sessions)</b>	
<b>12.00-1.00 pm</b>	<b>POSTER SESSION</b>	<b>POSTER SESSION</b>	<b>POSTER SESSION</b>	
<b>1.00 pm -2.00pm</b>	<b>PHARMA SPONSORED SESSION ON PHARMACOVIGILANCE</b>	<b>ViiV Healthcare in partnership with HIVCSK and NASCOP</b>		
<b>2.05-3.20pm</b>	<b>Afternoon Track 1 ANTIMICROBIAL DRUG RESISTANCE AND ANTIMICROBIAL STEWARDSHIP</b>	<b>Afternoon Track 2</b>	<b>Afternoon Track 3</b>	<b>Afternoon Track 4</b>
<b>2.05-2.10pm</b>	<b>Introduction by co-chairs</b>	<b>ELIMINATION OF MOTHER TO CHILD TRANSMISSION OF HIV</b>	<b>COLLIDING EPIDEMICS: COMMUNICABLE AND NON-COMMUNICABLE DISEASES</b>	<p><b>To be decided</b></p>
<b>2.10-2.20pm</b>	Abstract 1 : Knowledge, Attitudes and Priorities regarding Antimicrobial Resistance and Antimicrobial Stewardship	<b>Introduction by co-chairs</b> Factors Associated with MTCT in the Christian Health Association of Kenya HIV Program	<b>Introduction by co-chairs</b> COMPARATIVE DISTRIBUTION OF STAPHYLOCOCCUS AUREUS NASAL CARRIAGE IN	

	among Healthcare Workers in Outpatient Medical Centres in Kenya: A Qualitative Study.		DIABETIC AND NON-DIABETIC KENYAN POPULATIONS
<b>2.20-2.30pm</b>	Abstract 2: Laboratory-based AMR surveillance in regions of Kenya	Best Practices To Achieve Zero MTCT Rates At Mathari National Teaching And Referral Hospital(MNTRH) At Maternal Neonatal/Child Health(MNCH)Department Since 2018.	Which way for the NCD/ HIV Syndemic? An Integrated Service Delivery: A Tri-model Approach to NCD Prevention and Control among PLHIV in Marindi Sub County Hospital
<b>2.30-2.40pm</b>	Abstract 3: Phenotypic and genetic diversity of carbapenem-resistant Enterobacterales isolates at a Tertiary Laboratory in Pretoria, South Africa	Maternal factors influencing the delayed enrolment among infants seeking EID services at Mama Lucy Kibaki Hospital in Nairobi, Kenya.	Prevalence Of Non-Communicable Disease among People Living with Human Immunodeficiency Virus at Jaramogi Oginga Odinga Teaching and Referral Hospital, Kisumu County.
<b>2.40-2.50pm</b>	Abstract 4: Molecular Assessment Of Antibiotic Genes In Escherichia Coli Isolates Obtained From Wastewater Treatment Plants In Tshwane, South Africa In 2021	Impact Of CQI On Viral Suppression Among PMTCT Mothers Towards EMTCT; A Case Of Nanyuki Teaching And Referral Hospital.	Intergration of Non communicable disease screening into HIV care
<b>2.50-3.00pm</b>	Abstract 5: A Six Year Trend Analysis of Antimicrobial Resistance among Bacterial Isolates in Amhara Region, Ethiopia	Outcomes of HIV-exposed infants receiving care in Machakos County, Kenya	Estimation of Burden of Kidney Dysfunction in HIV-infected Pediatrics and Adolescents by Use of Urinary Neutrophil Gelatinase-Associated Lipocalin: A single Center Experience in Kenya
<b>3.00-3.10pm</b>	Q &A , wrapping up	Q &A , wrapping up	Q &A , wrapping up

3.20-4. 15pm	Afternoon Track 1	Afternoon Track 2	Afternoon Track 3	Afternoon Track 4
	<b>RESEARCH WORKSHOP 1:</b>			<b>OUTBREAKS CONTROL AND MANAGEMENT</b>
	<b>QUASI -EXPERIMENTAL DESIGNS: USING ROUTINE FACILITY DATA</b>	<b>HIV IN SPECIAL POPULATIONS &amp; KEY POPULATIONS</b>	<b>OPPORTUNISTIC INFECTIONS AND VIRAL HEPATITIS</b>	
3.20-3.25pm	Facilitated Session	Introduction by co-chairs	Introduction by co-chairs	MOH speaker on cholera control
3.25-3.35		Abstract 1	Accelerating HIV service uptake through Prioritized Short Sharp Service Specific Roundtable Literacy Sessions at Kamiti Prison Hospital	
3.35-3.45		Abstract 2	Monitoring Of Patients with Chronic Hepatitis B At the National Hospital	
3.45-3.55		Abstract 3	Management and Outcome of Cryptococcal Meningitis in Homa Bay County Referral and Teaching Hospital: a retrospective cohort	
3.55-4.05		Abstract 4	Hepatitis B virus infection in patients presenting for immunosuppressive cancer therapy with and without underlying HIV infection	
4.05-4.15pm		Q &A , wrapping up	Q &A , wrapping up	
4.20pm -4.50pm	Pharma Sponsored Session (Platinum)			
4.50pm – 5.30pm	CLIMATE CHANGE & HEALTH	TBC		
GALA Dinner by Viatris @ 6.00pm				
<b>DAY 3 WEDNESDAY OCTOBER 25</b>				

**7.30 am – 8.00 Breakfast Plenary TBC**

8.30-10.00am	Plenary 1	<b>Developing Evidence-Based Guidelines</b> <b>Antibiotic Prescribing practices use</b> <b>Universal Health Coverage and Primary Health Care : Enabling Quality Service Delivery</b>	Dr Loice Ombajo
	Plenary 2		Dr Karim from Pharmacy and Poisons Board (not confirmed)
	Plenary 3		Ministry of Health (Dr Maureen Kimani)

**10.00-10.30am TEA BREAK**

10.30- 11.20 am	Morning Track 1	Morning Track 2	Morning Track 3	Morning track 4
	<b>TB INFECTION</b>	<b>AGEING WITH HIV</b>	<b>HEALTH SYSTEM STRENGTHENING</b>	<b>ADOLESCENTS WITH HIV</b>
10.30-10.35 am	<i>Introduction by co-chairs</i>	<b>Introduction by co-chairs</b>	<b>Introduction by co-chairs</b>	
10.35-10.45 am	<b>Expert Talk:</b> Pediatric TB: by Prof Obimbo	Shortcoming or success? The paradox of high HIV seroprevalence among children <5 years old and the elderly living and dying with HIV in Kenya: emerging evidence from mortuary-based HIV-associated mortality surveillance system	Abstract 1 : Using machine learning models to predict the risk of interrupting treatment among people living with HIV who started on ART in 2020-2021, Kenya	Key Influences on the Sustainability of an Adolescent Transition Package for youth living with HIV in Kenya
10.45-10.55am	Abstract 2: Optimizing identification of persons missed out in routine tuberculosis case identification through enhanced cascaded quadruple approach among the Prisoners in Kenya	Abstract 2: Osteoporosis among older persons with HIV in Kenya: baseline results from the BFTAF elderly switch study	Abstract 2: Evaluation of recent Human Immunodeficiency Virus infection surveillance system: a case of Kenya, March 2021 – June 2023	Beyond Clinical Care: Peer-led Approach through Community Adolescent Treatment Supporters to Improve retention and Viral suppression among Adolescents Living with HIV in Siaya, Kenya.
10.55-11.05 am	Abstract 3: Tuberculosis	Abstract 3: A Randomized Trial	Abstract 3: De stigmatizing	Community-Clinical

	detection from chest x-rays for triaging in outpatient setting: an evaluation of computer aided detection (CAD4tb) chest x-ray algorithm.		of Switching Adults ? 60 Years Old from First-Line ART to B/F/TAF	the sale of HIV self-testing kits through product bundling: lessons from implementation science in Kenya.	Interface as A Strategy to Increase the Uptake of Sexual and Reproductive Health Services Among Adolescent Girls and Young Women in East Seme Ward, Kisumu County
11.05-11.15am	Abstract 4: Prevalence of Respiratory Tract Infections amongst HIV Clients on Anti-retroviral Therapy (ART) Admitted at Homabay County Hospital, Western Kenya		Abstract 4: Characterization of older people living with HIV(?65years)at Jaramogi Oginga Odinga Teaching and Referral Hospital, Kisumu.	Abstract 4: Identification of Multi-repeat Sequences using Genome Mining Approaches for Developing Highly Sensitive Molecular Diagnostic Assay for the Detection of Curable Sexually Transmitted Infections	<b>Expert talk: HIV-associated neurodevelopmental and cognitive disorders: Prof. Dalton Wamalwa, UoN.</b>
11.15- 11.25am	Abstract 5: Chronic Non-Infectious Lung Conditions in HIV Infected Children at Chris Hani Baragwanath Academic Hospital South Africa		Abstract 5: Understanding the Unique Challenges and Opportunities	Abstract 5: Drivers of cervical cancer prevention and management in Sub-Saharan Africa: A qualitative synthesis of mixed studies.	<b>Expert talk: HIV-associated neurodevelopmental and cognitive disorders: Prof. Dalton Wamalwa, UoN.</b>
11.25-11.35 am	Q &A , wrapping up		Q &A , wrapping up	Q &A , wrapping up	
<b>11.40-12.10pm</b>	<b>Viatis Pharma Sponsored Plenary session</b>				
<b>12.10 -1.00pm</b>	<b>POSTER SESSION</b>	<b>POSTER SESSION</b>	<b>POSTER SESSION</b>	<b>POSTER SESSION</b>	
<b>1.00pm -2.00pm</b>	<b>LUNCH BREAK</b>				
<b>2.00- 2.30pm</b>	<b>Community Plenary session</b>		<b>Community Plenary session</b>	<b>Community Plenary session</b>	<b>Community Plenary session</b>
<b>2.35-3.50pm</b>	<b>Afternoon Track 1</b>		<b>Afternoon Track 2</b>	<b>Afternoon Track 3</b>	
	<b>ADVANCED HIV DISEASE</b>		<b>DIFFERENTIATED SERVICE DELIVERY &amp; QUALITY CLIENT-CENTERED SERVICES ACROSS CASCADE OF CARE</b>	<b>HIV PREVENTION REVOLUTION</b>	<b>HEALTH SYSTEMS STRENGTHENING</b>

	<b>Introduction by co-chairs</b>	<b>Introduction by co-chairs</b>	<b>Introduction by co-chairs</b>	
<b>2.35-2.40pm</b>	<b>Introduction by co-chairs</b> Abstract 1 : Prevalence of Cryptococcal Meningitis in Advanced HIV Disease at Kitale County Hospital, Kenya			<p>Abstract 6: Leaving No One Behind: Access to Eye Healthcare Service Challenges in Ethiopia; A Qualitative Synthesis Using Levesque Healthcare Access Framework Integration of Non communicable disease screening into HIV care in simenya health center</p> <p>Prevalence and Practice Towards Rational Drug Use at Mariakani Sub-County Hospital (MSCH) Based on World Health Organisation Core Drug Use Indicators.</p>
<b>2.40-2.50pm</b>	Abstract 2 : Characteristics of People Living with HIV with a history of Tuberculosis preventive therapy who develop Tuberculosis at Jericho Health Centre, Nairobi Kenya	Outcomes of pregnant and lactating women enrolled in a PMTCT model at Kitale County hospital	Scaling up of PrEP uptake through Continuous Quality Improvement at Narok County referral hospital	
<b>2.50-3.00pm</b>	Abstract 3: Factors associated with mortality among PLHIV on ART follow-up in Uasin Gishu County	Factors associated with the exit of HIV stable patients on Fast track ART refill at Homabay County Teaching and Referral Hospital, November 2014 – December 2018	The role of HIV recency surveillance data in triggering prevention programming interventions in Kajiado County, Kenya. Early oral HIV pre-exposure prophylaxis (PrEP) continuation among female sex workers and men having sex with men in Machakos, Makueni and Kitui Counties of Kenya: a comparison of facility and community delivery models.	
<b>3.00-3.10pm</b>	Abstract 4	Impact Of Community ART Groups in Marigat Sub County Hospital Baringo County Kenya	Examining Preferences for Long-acting HIV Prevention Products Among Pregnant and Lactating Women in Kenya: A Discrete Choice Experiment	
<b>3.10-3.20pm</b>	Abstract 5	Improving HIV treatment outcomes among alcoholic clients through Differentiated Service Delivery: A case study of 3 facilities in Uasin Gishu County.	Safe index testing as a high yielding HIV case identification strategy, the successful implementation by Kitengela Sub County Hospital, Kajiado Kenya.	
<b>3.20-3.30pm</b> <b>3.30-3.40pm</b>	Abstract 6	Improving HIV treatment outcomes for ROCs who abuse alcohol through psychosocial support groups. A case of Baringo County, Kenya Nomadic Men Taking Lead to	Factors affecting PrEP client	

3.40-3.50pm	Q &A , wrapping up	Enhance Viral Load Suppression. A study in Samburu County Referral Hospital. Samburu County.	retention. Case of Busia County, Kenya	
-------------	--------------------	--	--	--

**PLENARIES**

4.00-4.30pm	Long Acting ARVs and other new technologies - access for LMICs	Prof Adeeba Kamarulzaman(TBC)		
4.30- 5.00pm	New Paediatric HIV treatments	Dr Victor Musiime (TBC)		

5.30 -6.00 pm	Dr. Aluoch HIV at 50 (TBC)	Pharma sponsored		
DAY 4	THURSDAY OCTOBER 26			

**7.30- 8.00am Breakfast session**

8.30-9.15am	Plenary 1	Advanced HIV disease and Infections in adults and children	Dr Marybeth Maritim & Dr Mbuthia	
-------------	-----------	--	----------------------------------	--

9.15-9.45am	Plenary 2:	Public Health initiatives for infectious disease control (including NTDs)	Dr Sultani Matendeche MOH (not confirmed)	
-------------	------------	---	---	--

**9.45am-10.15am TEA BREAK**

10.20- 11.20 am	Track 1	Track 2	Track 3	
-----------------	---------	---------	---------	--

	<b>RESEARCH WORKSHOP 2 SCIENTIFIC WRITING</b>	<b>Clinical Case discussion in ID and HIV</b>	<b>BASIC SCIENCE RESEARCH IN HIV AND ID</b>	<b>HIV in Key populations</b>
10.20-10.25 am	Introduction by co-chairs	Introduction by co-chairs	Introduction by co-chairs	
10.25-10.35 am	Abstract 1		<b>EXPERT TALK: PNEUMONIA RESEARCH: KEMRI KILIFI TEAM</b>	
10.35-10.45am	Abstract 2		Barriers and enablers to HIV Self-Testing in private sector among young sexually active	

10.45-10.55 am	Abstract 3		males and females: A case study of Nairobi and Kiambu Counties.	
			Index testing uptake to optimize HIV positive identification among sexual contacts and children in Umoja Health Centre, Nairobi, Kenya.	
10.55-11.05am	Abstract 4		Optimizing On Eligibility Screening at OPD In PGH Nakuru	
11.05- 11.15am	Abstract 5		Performance evaluation of the CheckNow™ HIV Self-Test	
11.15-11.25 am	Q &A , wrapping up	Q &A , wrapping up	Q &A , wrapping up	
<b>PLENARY PANEL Sessions</b>				
11.30-12.15PM	<b>CROSS CUTTING TALK 1</b>	<b>MEDICAL LEGAL ISSUES IN HIV : PANEL DISCUSSION BY THE HIV TRIBUNAL</b>		
12.15 -1.00PM	<b>CROSS CUTTING TALK 2</b>	<b>FOSTERING A CULTURE OF RESEARCH IN ROUTINE CARE SETTINGS. ETHICS OF RESEARCH AND DATA USE</b>		
<b>Closing Ceremony</b>				
1.00 -2.30pm	<b>Call to Action</b>			
2.30pm	<b>LUNCH &amp; DEPARTURE</b>
